PRICING

Please note that all the products listed on the Weallsendcards website are priced in Great British Pounds and includes all applicable tax unless it specifically says otherwise.

PRODUCT DESCRIPTION

We ask that you carefully read the product description before placing an order. By placing an order for a greeting card, you agree to be bound by the specific conditions of sale included in that greeting card's description (if any).

COLOURS

While we have tried our best to display the colours of the greeting cards as accurately as possible on www.weallsendcards.com, you understand and accept that there usually exists a difference between the colours you see on your browsing device and the colour of actual merchandise, depending on your device's capability to accurately communicate colour.

CARD PROCESSING

The charges to your debit and/or credit card will be processed online after you have ordered greeting cards on www.weallsendcards.com.

ORDERS

As a Weallsendcards customer, do not assume that your orders are automatically binding upon us, until we have approved and accepted such orders. The process for placing order requests for greeting cards on our website is by placing them in your cart and checking out at the end of your session.

We reserve the right to cancel any order that you place on the website if the ordered greeting card is no longer produced, if your ordered greeting card becomes unobtainable for any other reason, or if we suspect any fraudulent transaction by you or if such transaction violates the terms and conditions of using the website.

When we exercise our right to cancel an order, we will always send you an email of cancellation and will not charge you for the order. If you have made payment before the order is cancelled, we will issue you a refund in the exact amount of the charge.

You also have the right to cancel your order at any time, if we have not yet printed such orders. Orders, once shipped, cannot be cancelled.

DELIVERY

We offer both local and international delivery. It is our policy to dispatch products ordered before 1pm the same day by Royal Mail first class delivery service while cards ordered after 1pm will be posted on the next working day (excluding weekends and bank holidays).

Royal Mail has a success rate of around 93% for next working day deliveries (including Saturdays), and while we do our best to ensure that you get your products as soon as possible, you accept that delivery timescales are indicative only and nothing is guaranteed. We suggest that you allow three working days for UK deliveries.

You accept that cards delivered to international destinations are sent Royal Mail International Standard and will take longer to arrive. Please see the Royal Mail website for estimated delivery times.

RETURN AND REFUNDS

Because we give our members the opportunity to personalise their ordered greeting cards, we do not offer refunds except where we mistakenly send you the wrong item or the item is faulty. In

such a case please keep the product and contact our customer service team by email via talk@weallsendcards.com

After we have approved the refund, all refunds are processed within 5 business days.

REFER A FRIEND LOYALTY PROGRAM

Here are the specific terms and conditions relating to our refer a friend loyalty program:

You must be a registered member of Weallsendcards to qualify for the program. Please note that this is an optional program and you may still access and use our website if you do not subscribe to the loyalty program.

To be eligible to participate in the program and receive spend and refer loyalty bonus, you must be an active customer, which is defined as having purchased at least one full-priced greeting card from our range. Each card purchased by you provides you with an additional 30.5* days eligibility to earn commission.

If your remaining days eligibility falls to 0 you will not be eligible to earn commissions until you purchase a full price greeting card, and then your eligibility will increase by 30.5 days*.

The bonus paid for a full priced card, as purchased by any member in your segment, is 12p.

A segment is defined as a group of members introduced by you, whether such introduction was done directly or indirectly. A direct introduction is defined as someone who signs up via your refer a friend link while an indirect introduction is defined as a member that is introduced by another person in your segment, but they must be within 6 levels of introduction from the person which you introduced.

You will have the opportunity of viewing the commission payments due to you immediately after the purchase is made, but such payment will not be available for withdrawal or used against the price of cards for at least 14 days to allow for refunds/cancelled orders. You must have a minimum balance of at least £5 to make a commission withdrawal, and may request this through the account area. If your available balance is less than £5, this can be used to offset the price of cards.

Members may introduce new members by sharing their link. To make sure that every link has a high probability of success, we place a 30 day cookie on all links. You however understand that referral may not be placed accordingly if the new member signs up after clearing his/her history, or does so on another device rather than the original accessing device. We however have a policy of investigating duly to find out if new members who join the service without using a link were referred by an existing member.

Members can use their links on social media and other forms of online or offline promotion with the provision that they use standard approved wording or otherwise have any wording approved first. While members can use twitter accounts and Facebook pages/groups, they must also make it clear to visitors that these pages are not official pages/accounts of weallsendcards.com. you understand and accept that a breach of this rule can result in termination of your account.

All social media pages set up to promote weallsendcards.com must be preapproved by us. It is our policy that members request approval first when they choose to advertise weallsendcards.com anywhere.

Do not advertise refer a friend services on inappropriate social media pages (such as but not limited to for sale sites).

The reward paid to each member is based on the number of cards purchased by other members in that segment.

You understand and accept that we cannot dictate how often members will buy a card or whether members will refer others to join the loyalty program. You understand and accept that this means that Weallsendcards.com Ltd cannot predict the level of income that you may earn through this program, if any.

*If you have specifically requested sub accounts to be added to your account, then your account (this is not the same as introducing members) then the 30.5 days will be reduced to 30.5 divided by (1 + number of sub accounts). So for example, if you have 4 sub accounts, then you will increase your qualification period by $30.5 / (4 + 1) = 6.1$ days for each full priced card purchased.

On the death of a member, the account can be transferred to the next of Kin. This can also be nominated in the Will of the member.

Sub Accounts

If you have referred 5 people or more to our site via the refer a friend program, and they are all active customers you can request to open a sub-account. A sub-account will allow you to attach an account to your main account. You can add an additional sub account for each active direct referral you have in your segment. Sub-accounts have the following features:

- A sub-account can be converted to a real account and transferred to another person in the future (for example, a child, grandchild etc when they turn 18).
- A sub-account allows you to earn commission on your own purchases.
- Each sub-account will form part of the main account direct referrals, but will not count towards eligibility for further sub accounts.

- You will receive a referral link for your sub account, any referrals gained via this link will be placed into the segment of the sub-account.
- Sub accounts will earn referral commission in the normal way, however this will be paid direct to the main account, until separated into its own account.
- Sub-accounts cannot purchase cards; however, it will be deemed that each card purchased by the main member be split equally between each sub account. For example, if a main account had 4 sub accounts, and purchased 5 cards, it will be deemed that each sub account and the main account holder would purchase 1 card each.
- The main account will earn refer and spend bonus on cards deemed to be purchased by sub accounts. In the above example, the main account would earn spend and refer commission for each card deemed purchased by a sub account.
- Your requirement to be an active customer changes if you have sub accounts, and the 30.5 days is reduced accordingly so that each sub account needs to be active too. This means that for every card you purchase, your qualifying period is reduced by the following calculation: 30.5 divided by (1 + number of sub accounts).
- Sub accounts can have a segment down to seven levels of referral.
- Reward bonus is only paid to the member, not to the sub accounts.
- Sub accounts cannot hold designer accounts.
- Sub accounts can only be transferred to a person over 18, and cannot be transferred more than once.
- Sub accounts can be closed by the member at any time by contacting us by email talk@weallsendcards.com

DESIGNER ROYALTY PROGRAM

Our Designer Royalty Program is free to join; there are no initial subscription fees and no on-going fees. You however accept that we reserve the right to refuse a designer membership. Designers and the cards they can publish are accepted at our discretion.

Weallsendcards.com Ltd pays a royalty rate of 25p (50p for each designer who joined and was approved prior to 5pm GMT 02/02/2018) for each sale of a designer's design (except when they order their own cards in bulk at a reduced rate).

For those who joined after 5pm GMT 02/02/2018, there is also two bonus payments as follows:

A designer will receive an additional 10p bonus for each card you sell in a calendar month, if you sell more than 20 cards in that calendar month.

If you are an active member of our spend and refer program at the time a card is sold you will also earn an additional 15p. You can also earn an additional 12p if the person who buys the card is in your segment.

These bonus payments are not payable to those who joined prior to 5pm GMT 02/02/2018.

Cards are sold via our website only.

All designers retain the copyrights to their artwork. We do not claim exclusivity and designers are free to use their artworks and designs elsewhere and for whatever purpose or in any manner without prior notice to us.

As a designer, you hereby represent that all images uploaded and submitted for Weallsendcards.com Ltd.'s use is your own work, or that you have obtained all releases and licenses necessary to grant Weallsendcards.com Ltd the right to use the image, and all items in the image. Trademarked items must not appear in any image uploaded, and where identifiable people or children are used, permission must be obtained and retained.

All images must be uploaded so that they can be printed at 300dpi without being stretched. Poor quality cards will be rejected, and designer's account may be terminated if they continually stretch images or upload poor quality images.

All cards will appear on the designers' personal page and in our search page at our discretion. Keywords may only describe the card, and not who it is for or the occasion. Continual breach of this key wording policy may result in the designer's account being closed.

You will have the opportunity of viewing the payments due to you immediately after a purchase is made, but such payment will not be available for withdrawal for at least 14 days to allow for refunds/cancelled orders. You must have a minimum balance of at least £5 to make a withdrawal, and may request through the account area. If your available balance is less than £5, this can be used to offset the price of cards.
